THE STONEHURST

The Stonehurst

The Stonehurst is one of Ryan Homes' exciting villa homestyles. Every amenity is located on the first floor for the ultimate in convenience. The formal living room and dining room are open to the second floor for added drama. The eat-in, gourmet kitchen is a cook's paradise. Add a morning room for ambience. The luxurious owner's suite can be upgraded with an optional tray ceiling, delightful soaking tub and separate shower. And, of course, the laundry is conveniently located on the first floor. Upstairs, there are two additional bedrooms, a loft, full bath and plenty of storage space. In many locations you can complete your home with an enhanced lower level that can include an optional study and/or full bath. The Stonehurst is available with a one or two-car garage.

Regardless of which model you select, our trained professionals will work with you on every step of the process to create the perfect home.

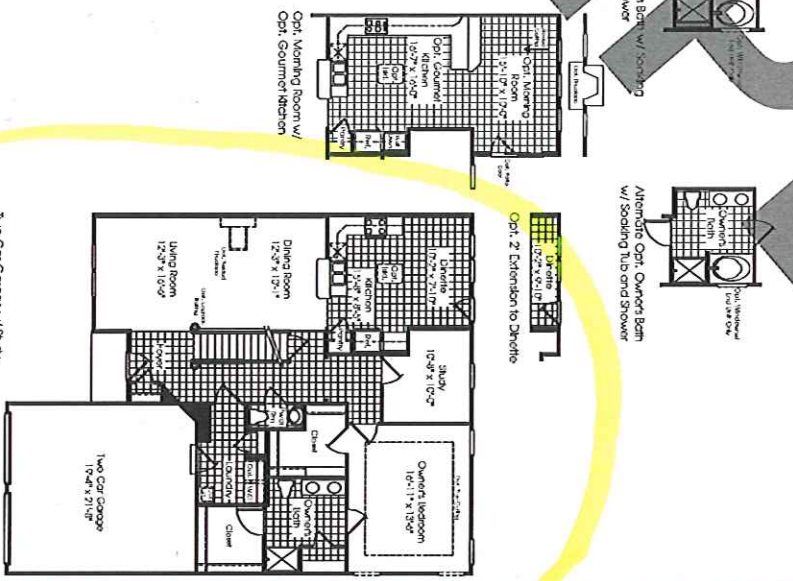

Ryan Homes

THE RYAN PROMISE

Our concern with quality construction doesn't stop at the point of sale. We carefully select the people who build your home. To give you peace of mind, we make at least two service inspections with our homeowners, one prior to settlement and another ten months after settlement. We back up everything we do with Ryan's exceptional 10 Year Limited Warranty. There is no additional cost to the homeowner for this level of service. We promise to be there for our customers, both before and after they purchase. Our service program is proactive, sincere and convenient. It's part of our overall concern for our customers and helps to explain why more than half our business is generated through referrals.
